

DECEMBER 1ST

IN SUIT CONDITIONS THE BACTERIA WILL **NOT** PROCESS BODY TISSUES, ONLY WASTE.

THIS SHOULD PREVENT ANY MISHAPS LIKE STRAIN OX1 AND REQUIRE **LESS** SUIT REFRESHMENT.

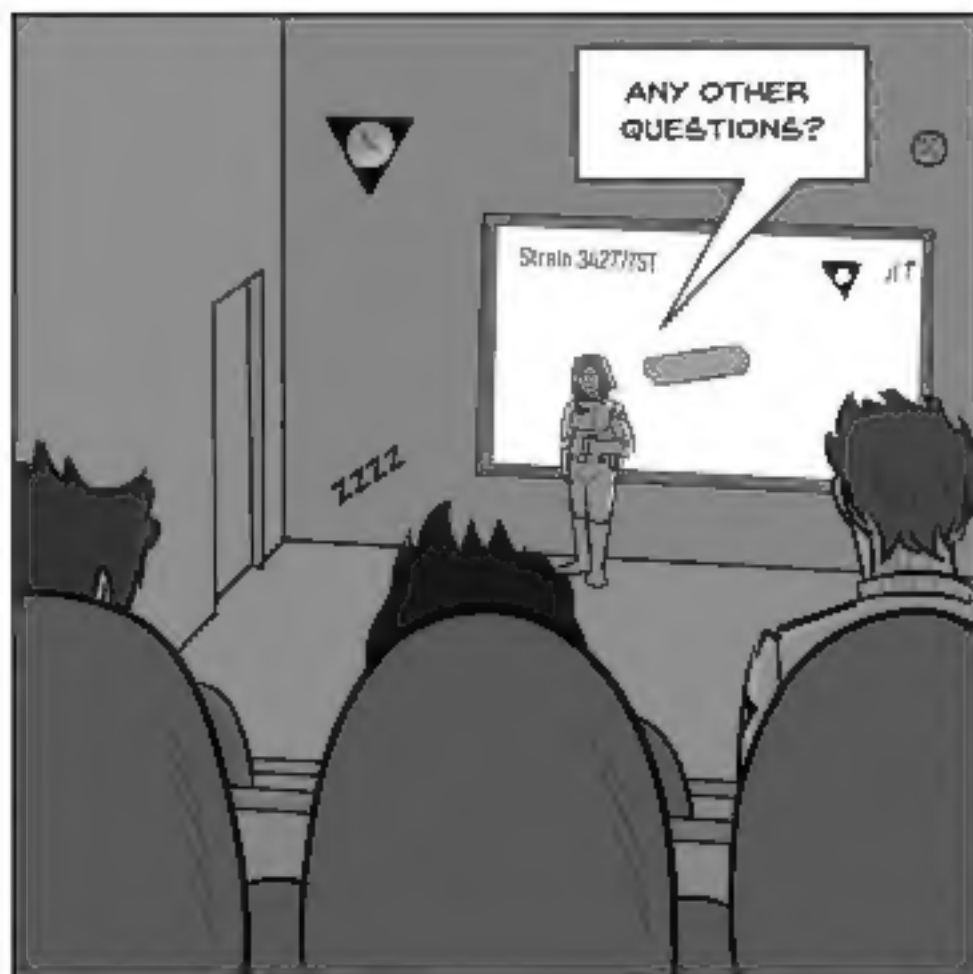

OVERALL PROVIDING **OPTIMAL** WASTE PROCESSING.

NOW, ANY QUESTIONS?

WILL IT **TASTE** BETTER...?

WELL...IT ISN'T **AS** BITTER.

SO **STILL** DISGUSTING? **FANTASTIC.**

WE NEED MORE INVESTIGATION INTO THE
CAUSE OF THE MUTATION!

MORE DEVELOPMENT IN NULLIFYING ITS
EFFECTS OR PRODUCING A **CURE**-!

CAPITOL.

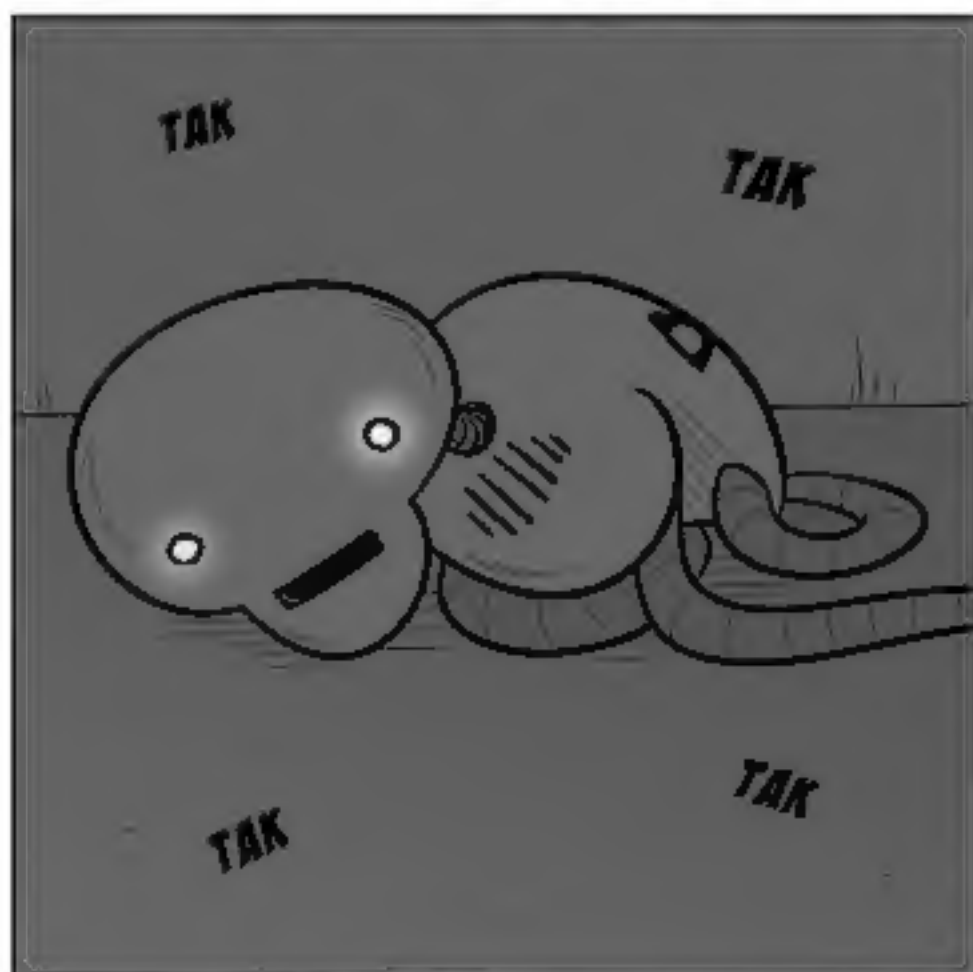

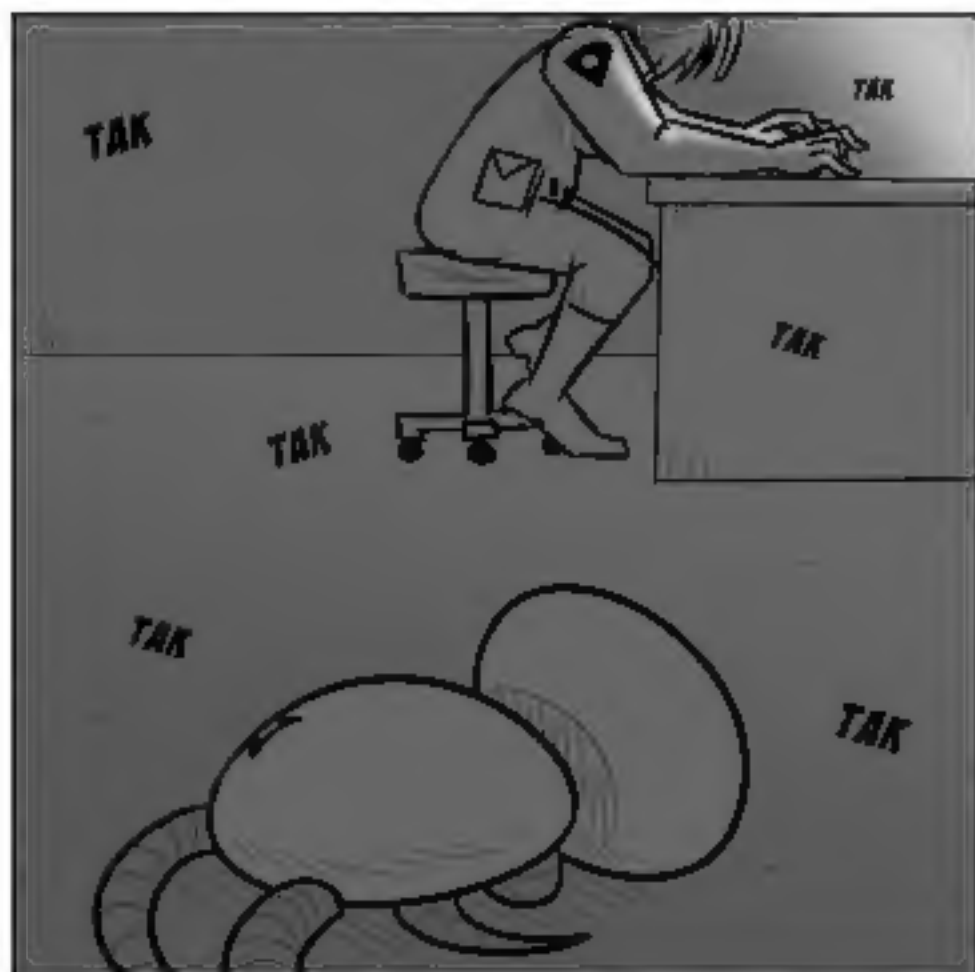

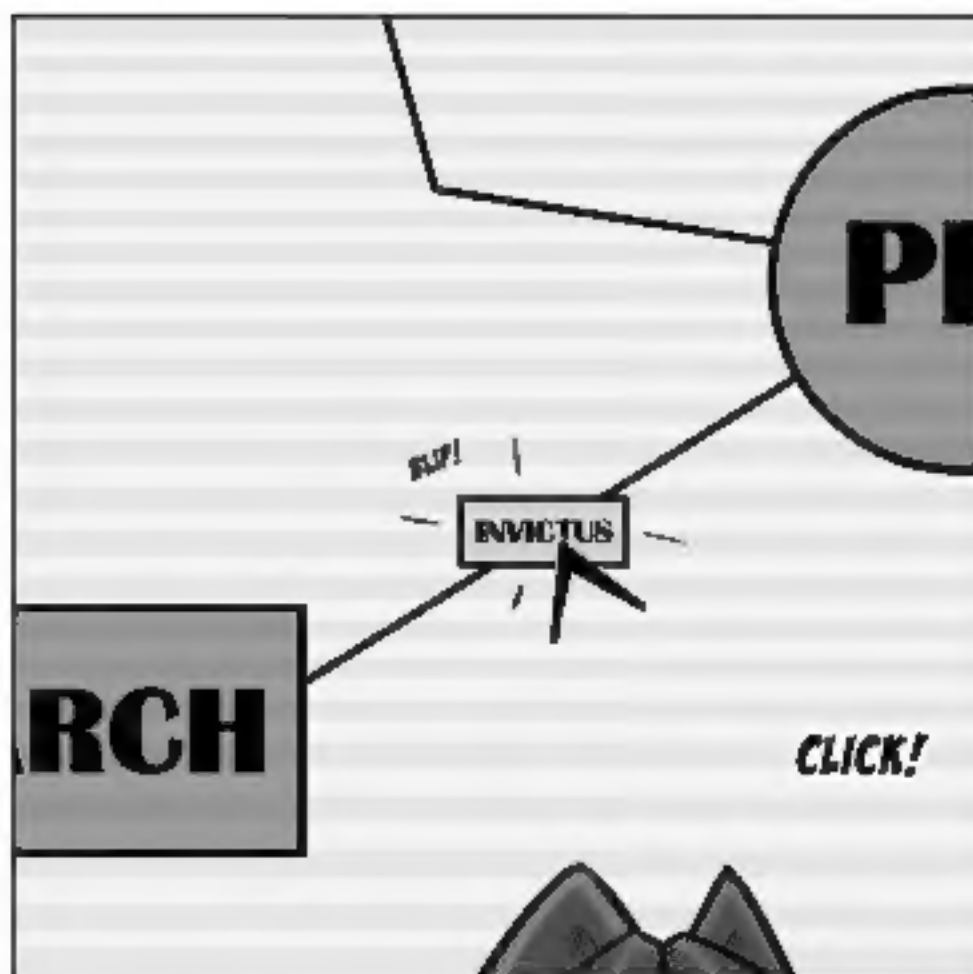

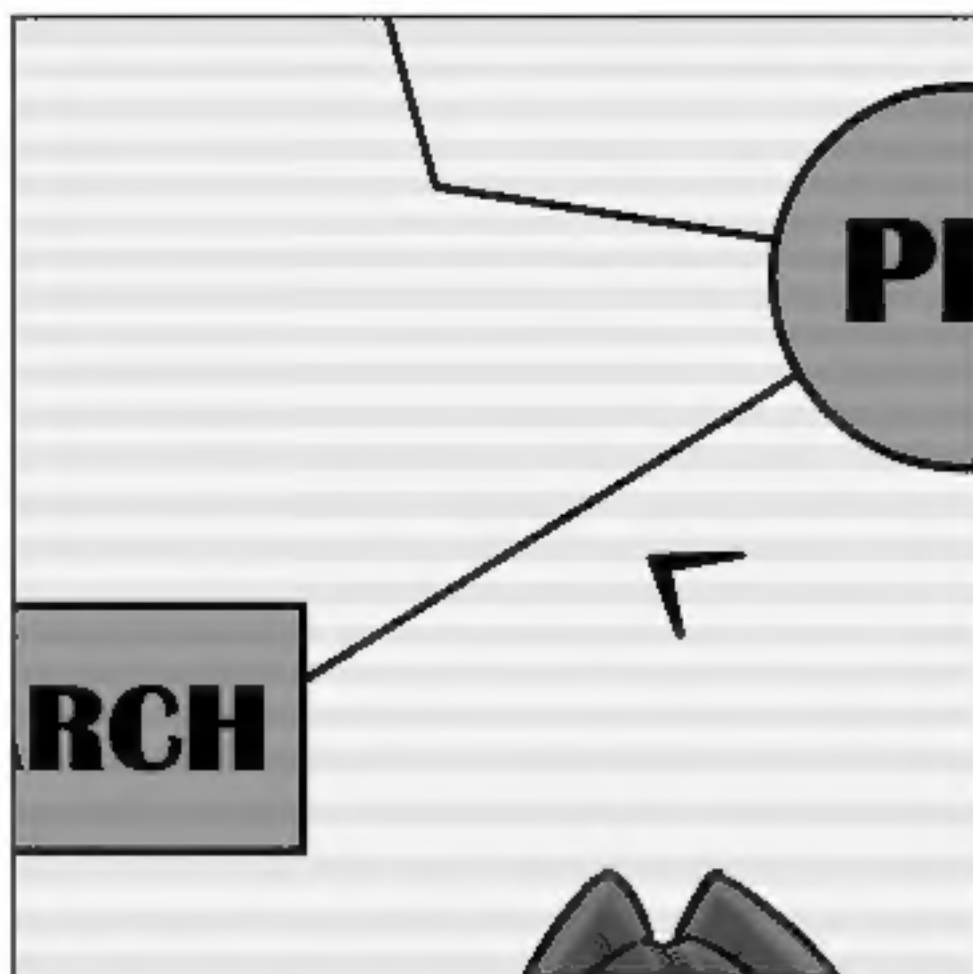

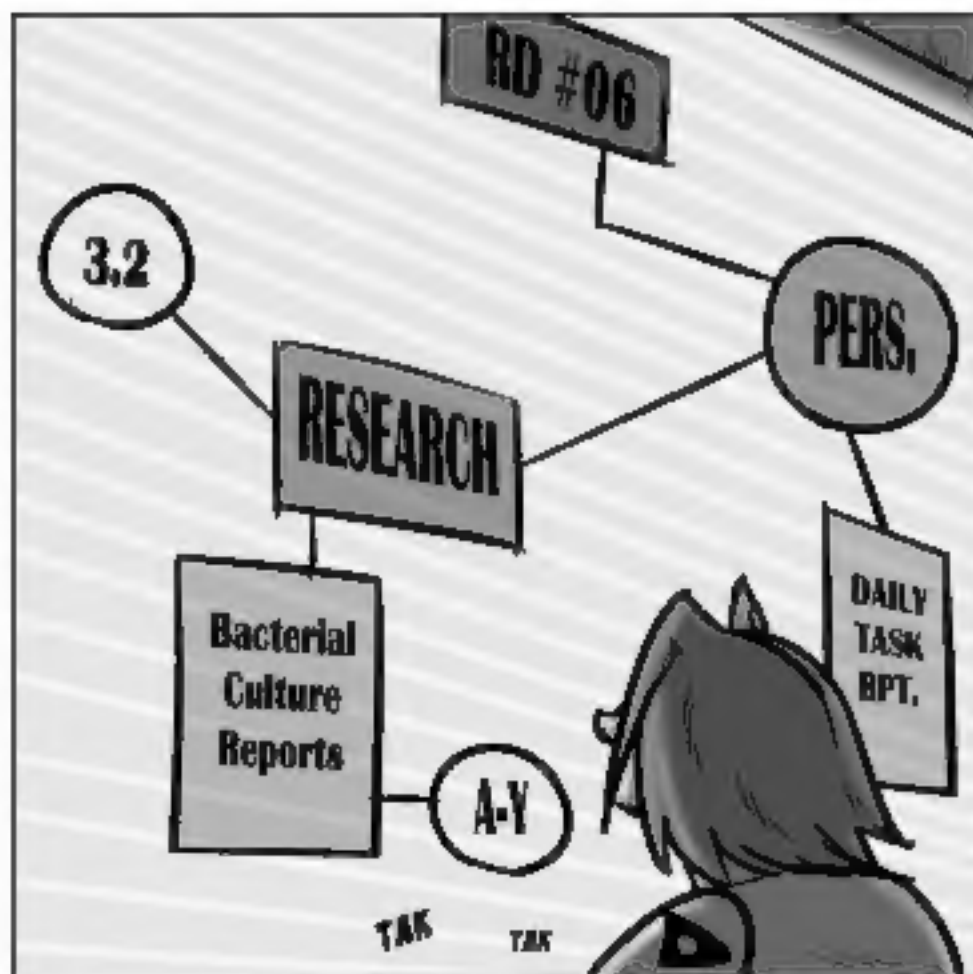

I BELIEVE THAT'S ENOUGH. THANK YOU FOR
YOUR HARD WORK, DR. CAPITOL.

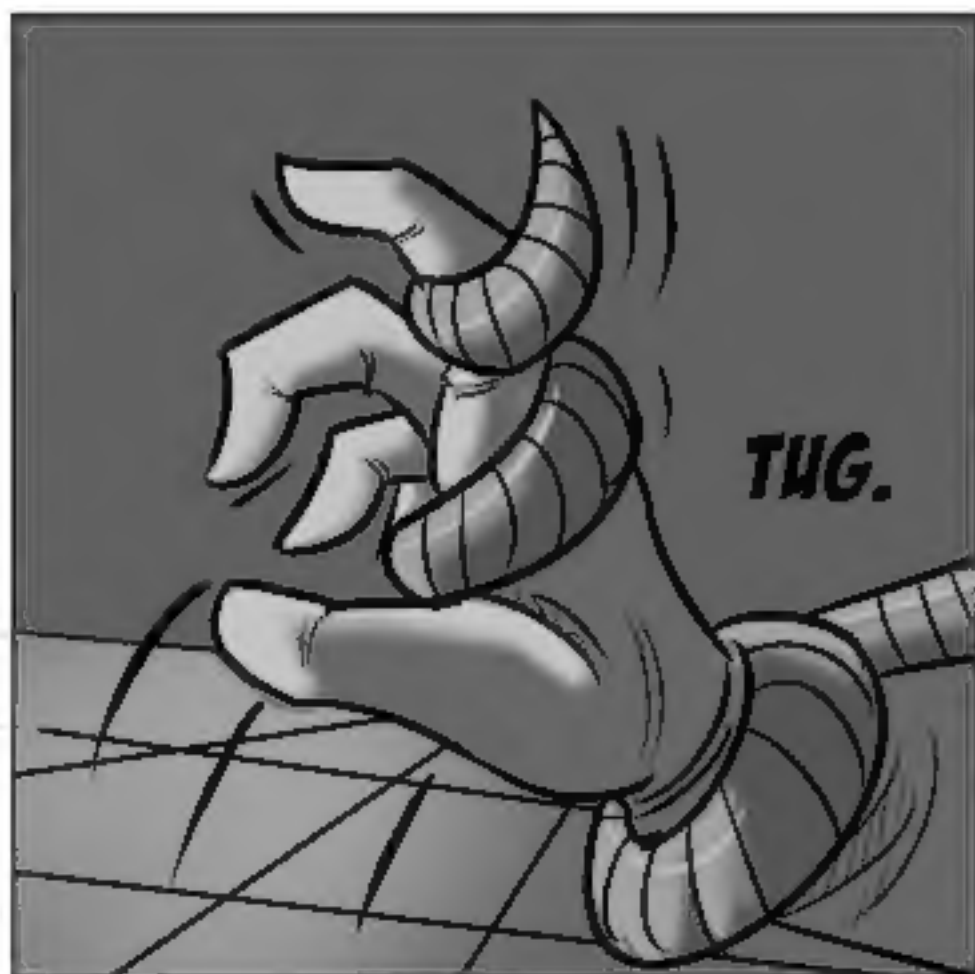

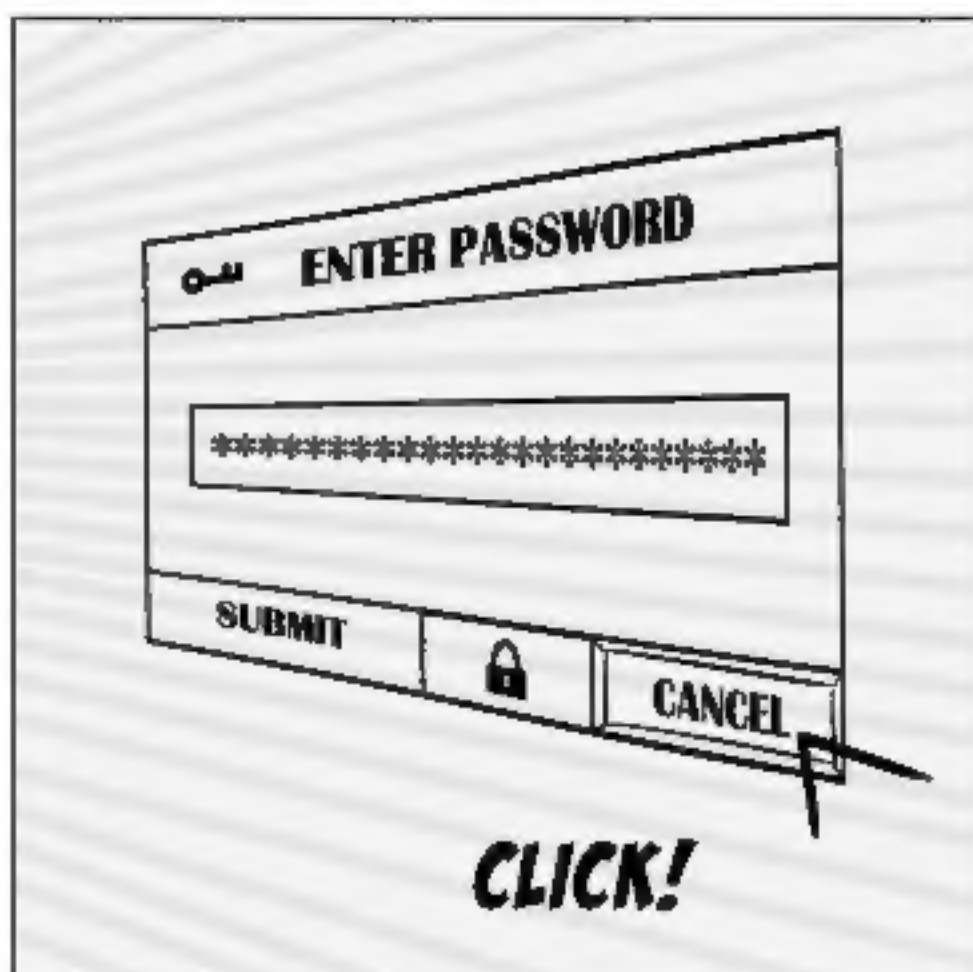

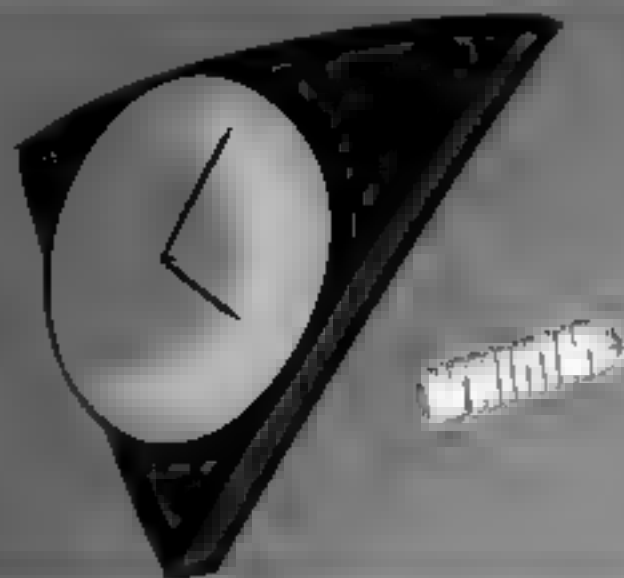

YOU ARE A WAD OF **SPONGE** ON A DINNER
PLATE, YOU DO **NOT** CONTRADICT ME!

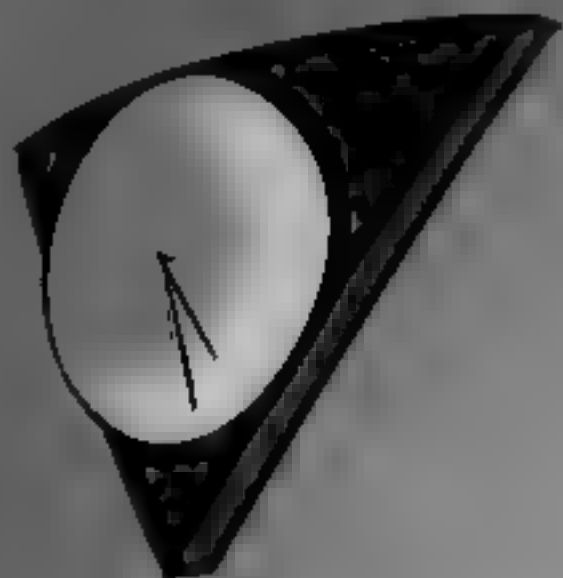

YOU @#\$%&#! I CAN UNMAKE YOU! I CAN RIP
YOUR BODY INTO **PIECES** AND TURN YOU INTO
A GODDAMN INCUBATOR FOR \$%&%+ BACTERIA!

YOU WORTHLESS HUNK OF SCRAP AND PLASTIC!!
YOU DON'T EVEN DESERVE BEING CALLED A MUTT!

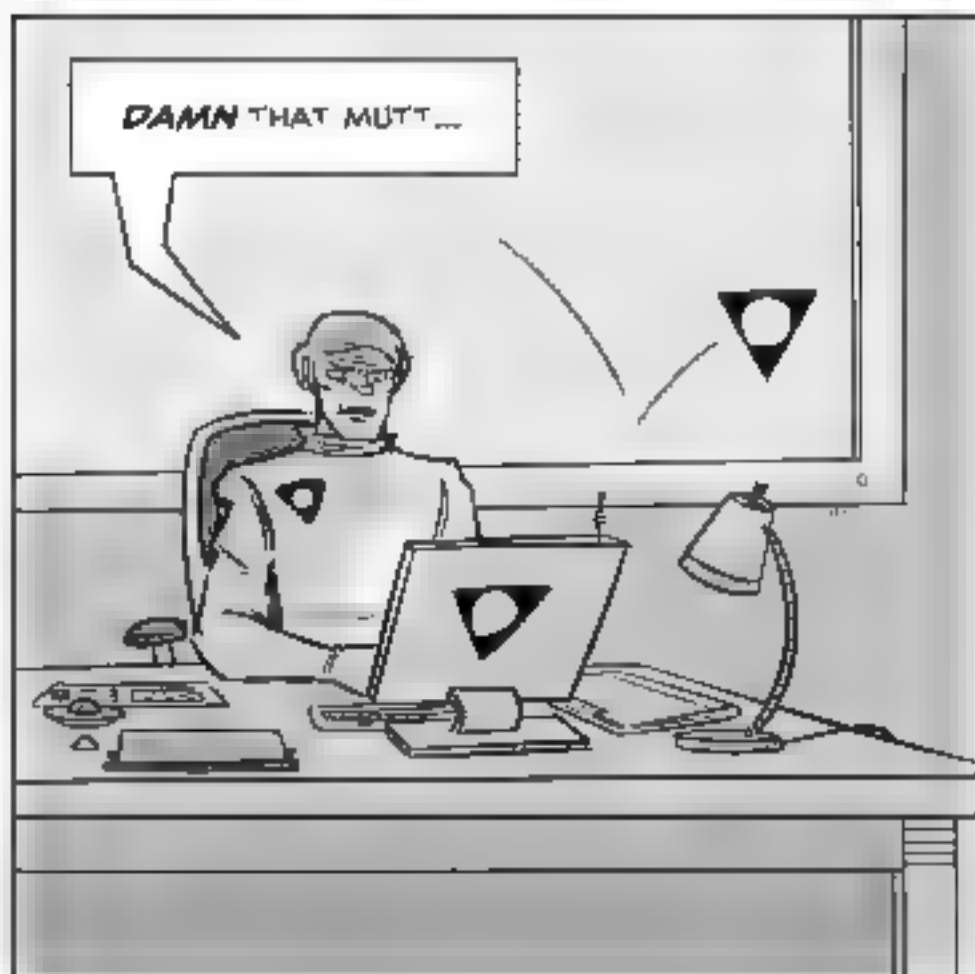

A @#\$%&!* **DOG** IS BETTER THAN YOUR SAD LITTLE
EXISTENCE! AT LEAST A DOG IS A **LIVING** THING-!

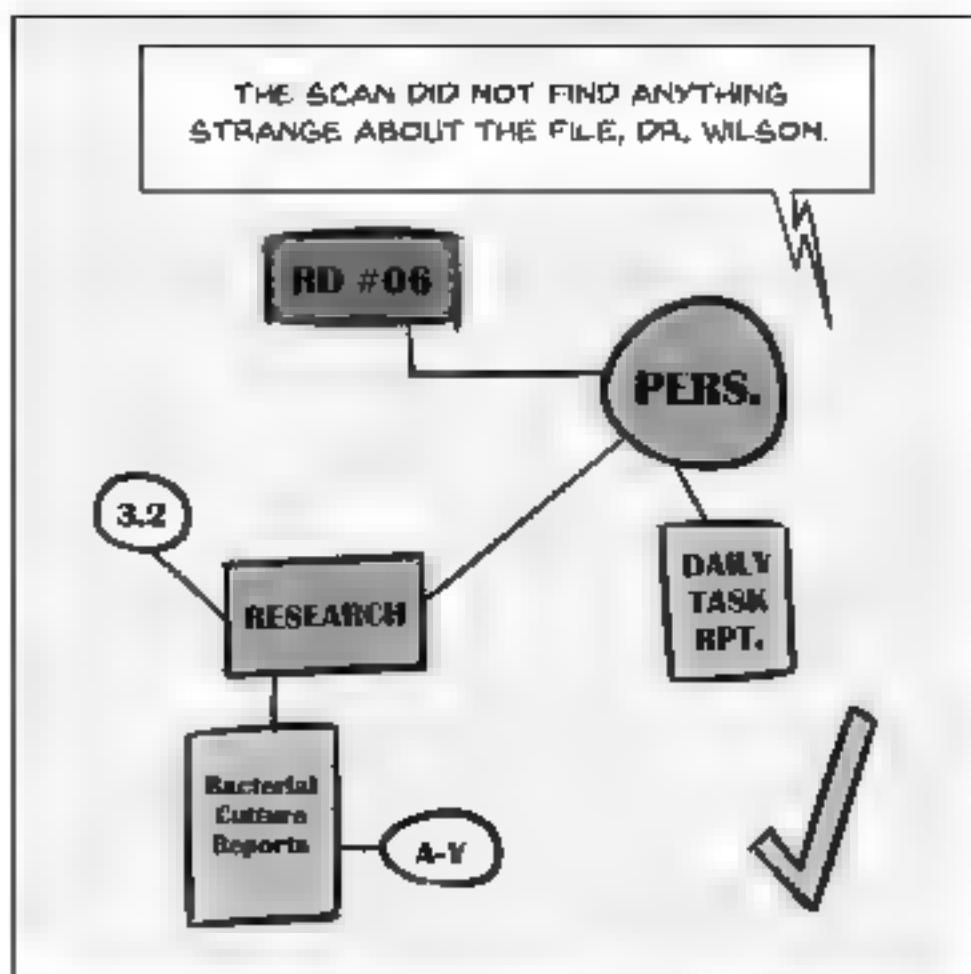

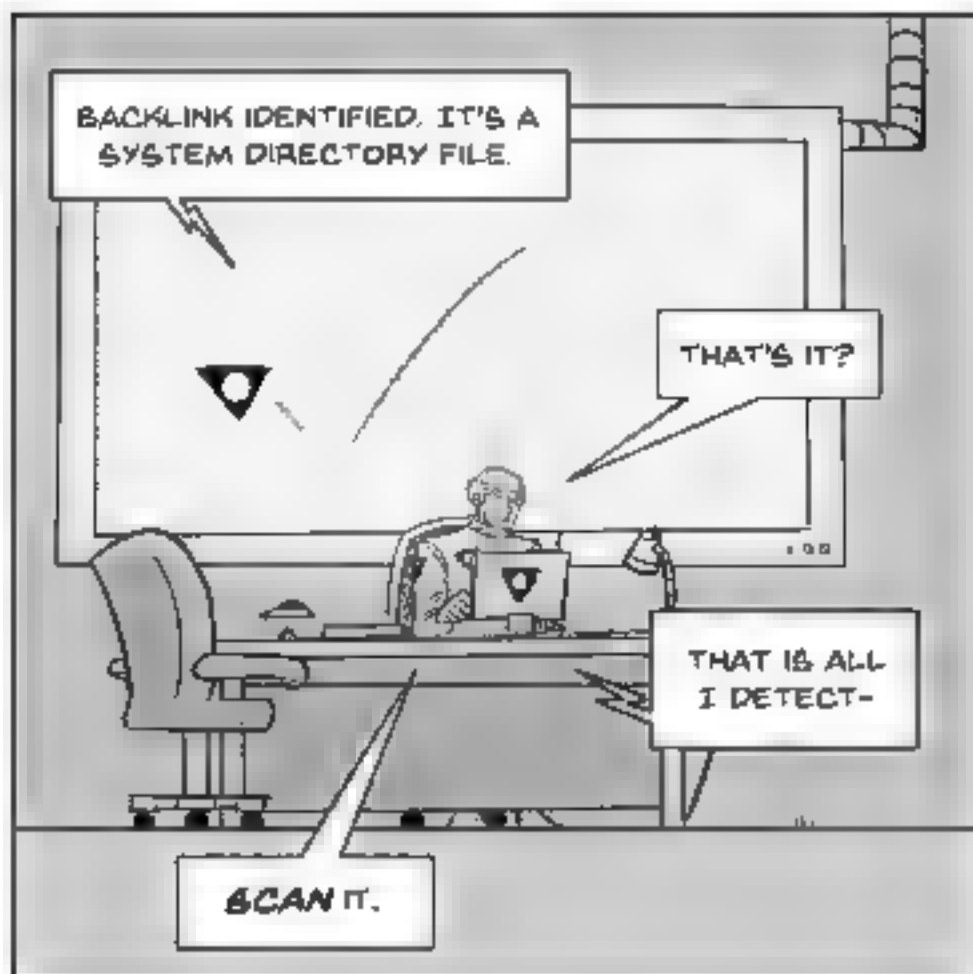

SIGH...

SIGH!

MOVING ON. ANY NEW DETAILS ON THE AMESWORTH FIELD FROM MISS OCHOA?

75% OF THE FIELD HAS BEEN INSPECTED SINCE NOVEMBER 23RD, DR. WILSON.

THE PREVIOUS LOCATIONS OF THE MISSING CREW'S ASSIGNMENTS WERE ALSO THOROUGHLY INVESTIGATED

A VEHICLE MODIFIED WITH HOVER TECH WAS DISCOVERED AT CREW 5'S SITE.

THERE WERE SIX CRATES OF MEDICAL SUPPLIES IN IT.

A CLOUD OF NANITES WAS ALSO FOUND WITHIN LESS THAN A MILE OF IT. OCHOA WROTE IN HER REPORT THEY MAY HAVE BEEN USED TO CLOAK IT.

CLOAKING NANITES...DITTO?

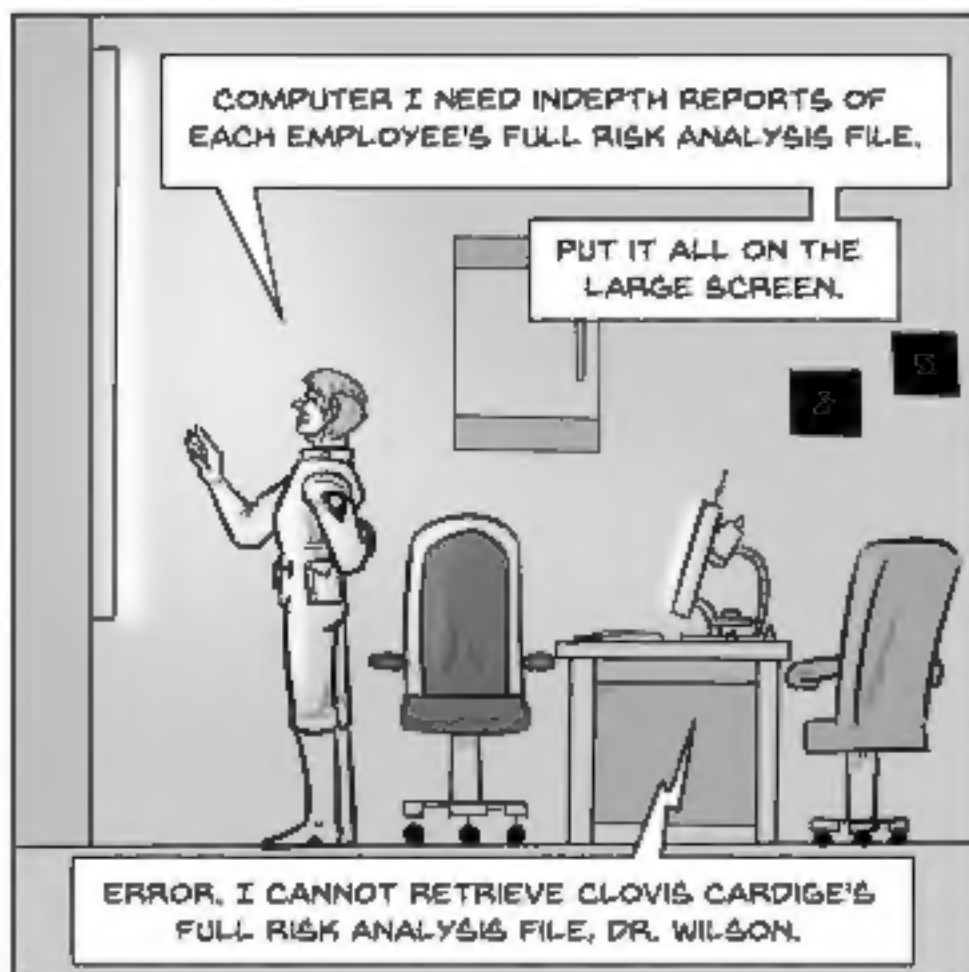

THE DESCRIPTION OF THE NANITES *DO* LINE UP WITH APEX RECORDS OF THEM, GIR.

BUT ACCORDING TO APEX RECORDS WILD DITTOS HAVE NOT BEEN SEEN *THIS* FAR WEST BEFORE.

INTERESTING.

JUST WHAT DID YOU FIND, CAPITOL....?

TOPSIDE TALES

Name:

Clovis Cardige

Sex:

Male

DOB:

09/20/XXXX

Current Residence:

El Paso Apex Hub, Texas. CSA.

Hometown:

Gloucester, Hillside. NL.
